

1. Download Adobe Digital Editions (ADE)

- a. <http://www.adobe.com/solutions/ebook/digital-editions.html>
- b. Follow the instructions to download **Adobe Digital Editions**
- c. When you open ADE you will be asked to authorize your computer with an Adobe I.D. and password. Follow the instructions to create the I.D.

2. Finding eBooks

- a. On your computer, go to www.mymediamall.net or access MMM through the library's website at www.itascalibrary.org
- b. From the library website, click on **Browse Digital Downloads** on the right side of the page. Then click **My Media Mall**.
- c. In MMM, **sign in** (upper right corner). In the drop-down menu choose Itasca Community Library. Enter your **ICL card number and PIN**.
- b. Search for an eBook or audiobook in the box next to the magnifying glass, or browse for titles.
- c. Click on **Advanced Search** and choose **EPUB Book** under **All Formats**.
- d. If you don't want to wait for a book, check the **Show only titles with copies available box**.

3. Place a hold

- a. If you search for a eBook without limiting it to only available copies the book might be checked out. You can see how many copies the library owns and how many people are on hold by tapping the title of the eBook. Tap on the eBook then tap **Place a hold**.
- b. Available books will have a black icon in the top right corner and checked out books will have a gray icon.
- c. When your hold becomes available it will **automatically** check out to your account. You can turn this feature off in the Holds section of your MMM account. If you turn the auto-checkout off then you will have three days to check out the book once it is available.

4. Borrow

- a. When you see an available eBook you want, tap the cover, then tap borrow.
- b. After you borrow the eBook tap **download**, then **EPUB format**, then **confirm and download**.
- c. Connect your Nook to your computer with the power/USB cord and open ADE.
- D. You will see the title displayed in the **Library** of **ADE** while your Nook is displayed under **Bookshelves**.
- E. Use the mouse to click, hold, and drag the eBook into your Nook.
- f. Safely disconnect your Nook.
- g. You can return an item early by clicking on the cover image and selecting Return early from the drop-down menu.
